

Beaune and Burgundy

While it's a delightful destination at any time of the year, the celebrated wine-growing region of Beaune and Burgundy is at its magical best during Autumn and Winter. Spend a few days discovering the highlights of Beaune, its historic centre and surrounding vineyards, or a week venturing further afield, accompanied by your guide and driver in a luxury minivan. Visit centuries-old family wineries, sample legendary wines—and Burgundian truffles—during private tastings, develop your knowledge of viticulture, and join in an actual wine harvest. Explore the renowned 15th-century *Hospices de Beaune*, a former hospital complex now famous for its annual charity wine auction. Plan your trip in early November to include a day in Dijon, the capital of the historic Burgundy region, to take in the city's annual International Gastronomy Fair. Dine in a Michelin-starred restaurant or a renowned members-only wine club, or enjoy a gourmet picnic in the heart of a vineyard. And if the kids are coming too, let them enjoy an activity of their own at a nearby adventure park under the watchful eye of a professional child-minder while you're off visiting Châteaux. On your own or with family and friends, whether you're a novice or a passionate wine *connoisseur*, our Beaune and Burgundy Signature Collection itinerary is designed to offer you an unparalleled immersion into the world of fine wine.
