

ANDY SWANN VOYAGE - SIGNATURE COLLECTION

Wine and Wellbeing

Everyone needs a bit of pampering now and then—and what better place to do it than the French Riviera! Start with beautiful accommodation in a restored 19th-century manor house, set on a secluded, tranquil property just minutes away from the bustling coast. Add a program of spa treatments, yoga and Pilates classes, along with easy access to tennis courts and a championship golf course. Choose from a selection of relaxed day-long and half-day excursions: Take a two-hour walking tour through the gardens and olive groves of a private estate, then join the owner, an English Lady, for lunch, tea, or a cocktail on her terrace, with sweeping views of the Mediterranean Sea. Explore the perched village of Saint-Paul-de-Vence, accompanied by a private guide, browsing through the galleries and boutiques along the way before stopping for a private wine-tasting and delectable lunch. Visit local vineyards for private tastings of some of the region's finest wines, or head to Grasse, the perfume capital of the world, for a guided tour of the International Perfume Museum, followed by a workshop where you'll learn to create your own unique fragrance, using the essential oils distilled from local flowers. From start to finish, our Special Collection Wine and Wellbeing itinerary is designed to delight your senses while refreshing your body and soul.
